Each panoramic or decor immerses you in a fairy-tale or intriguing story.
Not only the pattern appeals to the imagination, the material used is also surprising. From velvety soft silk looks and bouclé fabrics to sophisticated linen effects.

The hand-painted scenes of the "Panoramiques" are artistic gems and always consist of several panels that together form one panoramic whole.

"Décors are lavish images that make a statement on the wall. These eye-catchers are available by the linear metre, easy to use in any room.
